Need assistance with preparing your resume?

You can follow the MPA Application Resume Guidelines (found in this packet) and use the [MPA Application Resume Template](#) for formatting and constructing your resume. Although the MPA Admissions and Career Management staff are unable to advise individual prospective students regarding resume content or format, we have provided detailed guidelines, a list of action words for resume writing, and the resume template to assist you. If admitted, you will use this format during the MPA recruiting process and receive individualized

attention from our MPA career coaches. They will work with you to fine-tune your resume and maximize its effectiveness.

□ ESSAY

Complete the required essay (minimum 500 words). The essay helps us to get to know you as an individual and how you would fit with our program. We also use it to assess your communication skills. Optional Statement

"Please provide any additional information you believe is important to your application (e.g., details about any planned prerequisite coursework) or address any areas of concern that you believe will be beneficial to the MPA admissions committee when considering your application (e.g., explanation of academic performance or extenuating personal circumstances)."

You will be asked to provide the names and email addresses of at least three references in the "Letters of Recommendation" section of the application. Graduate Studies requires that you submit recommendation letters from **tenure track faculty** (preferred) (titles: Professor, Associate Professor, Assistant Professor) or **professional track faculty** (titles: Professor of Instruction or Associate Professor of Instruction) at UT Austin. Letters from lecturers or PhD students can only be submitted as supplemental letters alongside the three required letters. You will be asked to decide whether or not you waive the right to view your letters after they are submitted. Please note that your references will be informed of your decision. When you select "Continue" on the "Letter of Recommendation" page of the application, your references will be sent an email message with a link to a secure portal where they will be asked to complete an online questionnaire and upload a recommendation letter.*

After you submit your application, you can log into the [McCombs application portal](#) to monitor the status of your pending recommendation requests, resend the

Recommendation Request email, or add a new recommender. You will receive an automated email once your letter of recommendation is received.

**Tip: Complete this part of your application first. This will launch email notifications to your recommenders and allow them to get started on the form while you're working on the other components of your application. Also, contact your recommenders ASAP to let them know they should receive an email as soon as you save this section of the application. Sometimes these emails end up in a junk folder.*

**Tip: You can submit your application before your recommenders submit their letters. However, your application will not be considered complete until at least three recommendation letters are received.*

INTERNATIONAL STUDENTS: TOEFL OR IELTS

All international applicants must possess exceptional English skills to be considered for the ECON-MPA program. Official scores for either the TOEFL or IELTS must be on your UT record prior to the application deadline unless you were allowed to waive the TOEFL or IELTS for admission to UT Austin.

Our preferred minimum for the TOEFL is 105 overall, with a minimum of 24 for each individual section, or minimum

band scores of 7.5 for the IELTS. If your previously submitted test scores do not accurately reflect your current English proficiency, we strongly recommend that you retake the test and increase your scores. If you retake the exam, please note that it typically takes at least 3-4 weeks for your official score report to be received by the university and uploaded to your application record. If you retake a test, we will consider only the score report with the highest total score. Please [notify the MPA admissions team](#) if you plan to retake an exam or if your score report will arrive after the submission deadline.

RESUME GUIDELINES

We recommend but do not require resumes to be submitted using these guidelines. If admitted, you will use this format during the MPA recruiting process.

Format your document according to the [MPA Application Resume Template](#). Since the template is provided in Word format, you can customize it.

Your resume should be only one page in length. This means you should include only the activities and experiences most relevant to the career you plan to pursue. If you would like to document additional experiences, you may attach additional information pages as noted on the template (e.g., a future position you have already secured).

Ensure margins are $\frac{1}{2}$ to $\frac{3}{4}$ inch on all sides. Use Calibri font. Contact information and the resume body should be in 10-12 point font. Your name at the top should be larger than the rest of the text and formatted in bold and ALL CAPS.

Include a full space between sections.

Use tab stops rather than the space bar to align dates with the right margin. Represent dates as follows:

- List the month and year of graduation for degrees obtained or in progress.
- List experiences in reverse chronological order by end date.
- For experiences that occurred only during part of one year (e.g., internships), include the semester and year.
- For experiences you are currently doing, include the starting year and the word "Present" (e.g., 2018 - Present).

- For experiences you started in one year and ended in another, indicate the year to year range (e.g., 2018 - 2019).

Include GPAs for degrees obtained prior to the MPA.

Describe achievements in terms of specific actions and measurable results, quantifying when possible.

Avoid using periods at the end of each bulleted phrase, as they are not in complete sentences.

Spell out numbers one through nine and use numerals for 10 and greater.

Include work eligibility in bold as the final bullet point. Please use the wording option below that describes your work eligibility:

- **Work Eligibility:** Eligible to work in the U.S. with no restrictions
- **Work Eligibility:** Eligible to work in the U.S.; will require visa sponsorship for full-time employment

If neither of the above options applies, or if you have questions about your work eligibility, please use the option below:

- **Work Eligibility:** Unknown

You may include information regarding citizenship and/or work authorization in other countries in addition to the above work eligibility verbiage, but it is not required.

Check facts, spelling, grammar, punctuation, and capitalization. Consider asking a friend, family member, or trusted mentor to review your resume before submitting it.
